Standard Features

Aesthetics

- Stainless Steel Escutcheons - Corrosion-resistant fixture covers add an elegant, glimmering accent.
- Blue LED - This cool, blue LED light creates a calming and tranquil spa environment.

Green Technology

- ArcticPac Insulation - Using Icynene™ foam to retain heat, keeping the spa energy efficient and the water at a tropical temperature.
- Maintenance-Free Cabinet - Synthetic cabinets weigh less than wood, yet are more resilient and durable. Unlike wood, these cabinets will not crack, chip, warp or rot.

Protecting Your Spa

- Lucite® SPA Acrylic - Simply the best for providing strength, durability and UV resistance to your spa. EasyCare™ qualities reduce maintenance to a minimum.
- ABS Base - This ABS base is fully insulated and completely seals the underside of the spa keeping it impervious to moisture, pests and time.
- Thermal Shield Cover - Our premium Thermal Shield Cover is designed for maximum energy efficiency, featuring advanced heat-locking technology and exceptional durability.
- Warranty - 12 year warranty on the structure, and a 1 year warranty as standard on surface, parts, labour and plumbing.

Optional Features

- **Ozone** - The ozone water treatment provides crystal clear spa water by killing bacteria with fewer harsh chemicals.
- **Multi-Colour Lighting** - Saturate your spa with your favourite colours.
- **Smart Energy Savings Package*** - Provides energy efficient, Icynene™ full foam. This additional insulation package makes the Garden Spas even more energy efficient.

*The spas have been tested in accordance to California Energy Guide.

NOTES:- Colour swatches in this brochure are to be used as a guide and have been matched as accurately as possible to the actual acrylic, cabinet and covers used, however due to print processes, it cannot be guaranteed that colours or patterns shown are 100% accurate. Please refer to your local Artesian Spas dealership for more information. We've done all we can to make the specifications, technical details and all other information you see in this brochure accurate at the time of publication. Dimensions, capacities and weights are approximate. Specifications are subject to change without notice. **Ozone systems are not available in the EU.** Published 10/2025.
